

Dog Feeding & Portion Chart

Fill this in once so every person in the house feeds the same food, the same amount, at the same times. Ask your vet for the daily portion, then split it across the meals below.

FILLABLE PDF – TYPE ON A COMPUTER OR TABLET, OR PRINT AND FILL IT IN BY HAND.

DOG'S NAME

WEIGHT

FOOD BRAND

DAILY FEEDING

MEAL	TIME	FOOD + AMOUNT	WHO FEEDS	GIVEN

TREATS & EXTRAS

ALLOWED TREATS + DAILY LIMIT – KEEP TREATS UNDER ~10% OF DAILY CALORIES

NEVER FEED – TOXIC TO DOGS

- ☐ **Chocolate & caffeine**
toxic
- ☐ **Onion & garlic**
damages blood cells
- ☐ **Macadamia nuts**
- ☐ **Grapes & raisins**
kidney risk
- ☐ **Xylitol**
sugar-free gum, candy
- ☐ **Alcohol & raw bread dough**

Tip: Measure portions using the food label and your vet’s guidance, keep treats under ~10% of daily calories, and switch foods gradually over about a week. If your dog eats something on the never-feed list, call your vet or a pet poison line.
