

Dog Grooming Schedule & Log

A simple way to keep grooming on track. Set how often each task is due, then log the last-done and next-due dates so nothing gets forgotten.

FILLABLE PDF – TYPE ON A COMPUTER OR TABLET, OR PRINT AND FILL IT IN BY HAND.

AT-HOME CHECKS

☐ **Skin & coat**
any lumps, flaking or hot spots?

☐ **Ears**
smell, redness or discharge?

☐ **Nails**
touching the floor when standing?

☐ **Teeth & gums**
tartar, redness or bad breath?

Tip: Brushing little and often prevents mats. Introduce nail trims slowly with treats, and ask a groomer or vet if you're unsure how short to go.
