AT-HOME CHECKS

- ☐ **Skin & coat**  
any lumps, flaking or hot spots?
- ☐ **Ears**  
smell, redness or discharge?
- ☐ **Nails**  
touching the floor when standing?
- ☐ **Teeth & gums**  
tartar, redness or bad breath?

**Tip:** Brushing little and often prevents mats. Introduce nail trims slowly with treats, and ask a groomer or vet if you're unsure how short to go.
