

Dog Treat Recipe Card

Three easy recipes from the Homemade Dog Treat Cookbook, word for word, every ingredient checked against the site’s food checker. **Treats are extras — keep to about 10% of the day, and subtract from that day’s meals.**

FILLABLE PDF — TYPE ON A COMPUTER OR TABLET, OR PRINT AND FILL IT IN BY HAND.

NO. 01 · SWEET-POTATO CHEWS · MAKES ~20 · 225°F · 2½–3 H

Ingredients

2 medium sweet potatoes (peeled). **Store:** airtight; refrigerate 1–2 wk or freeze.

Method

1. Heat oven 225°F. 2. Slice lengthwise into ¼-inch strips. 3. Lay flat on parchment, not touching. 4. Bake 2½–3 h, flip once, until dry/leathery. 5. Cool fully.

Safety: Dense chew — size to your dog, supervise; portion for overweight/diabetic; discard if moisture returns.

NO. 22 · FROZEN PUMPKIN-YOGURT CUPS · MAKES ~12 · FREEZE 3+ H

Ingredients

1 cup plain unsweetened xylitol-free yogurt; ½ cup pumpkin purée. **Store:** freezer.

Method

1. Stir smooth. 2. Spoon into molds/ice-cube tray. 3. Freeze 3+ h. 4. Pop out; soften a moment for small dogs.

Safety: Yogurt plain & xylitol-free; dairy — skip if lactose-intolerant; limit kidney; plain purée, never pie filling.

NO. 24 · FROZEN BANANA-PB BITES · MAKES ~18 · FREEZE 3 H

Ingredients

2 ripe bananas (mashed); 2 tbsp xylitol-free unsalted peanut butter. **Store:** freezer.

Method

1. Mash banana with PB. 2. Spoon into molds or drop on a tray. 3. Freeze 3 h. 4. Soften a moment for small dogs.

Safety: Xylitol-free PB; fatty — skip pancreatitis; banana — limit diabetic/overweight.

BATCH LOG

DATE MADE	RECIPE	HOW MANY	MY DOG’S VERDICT	NOTES

Read every peanut butter and yogurt label for xylitol (also called birch sugar or E967). If your dog eats any, call your vet or the ASPCA (888) 426-4435 or Pet Poison Helpline (855) 764-7661 now; don’t wait for signs. Introduce one new food at a time, watch 24–48 h, and always supervise.
