

Dog Walker Instructions

Everything your walker needs, on one page. Fill it in, leave it with the leash, and walk the first route together so your cues land in person.

FILLABLE PDF — TYPE ON A COMPUTER OR TABLET, OR PRINT AND FILL IT IN BY HAND.

DOG'S NAME

YOUR PHONE

Tip: Being honest about what sets your dog off isn't embarrassing — it's what keeps your walker and your dog safe. Note the distance where your dog stays calm, and ask the walker to keep at least that much space.
